
Help us minister to you!

St. Christopher Camp and Conference Center has a rich history of impacting lives. Its summer camp program for children continues to fill to capacity. Many have had unforgettable experiences there at parish retreats, family getaways, Cursillo weekends and conferences. St. Christopher strives to serve you by continuing to expand its programs, improve its amenities and restore and maintain its facilities. Will you help us? We invite you to join us in our ministry by making an annual gift. While no gift is too small, we hope that St. Christopher will be a priority among the ministries that you support. To participate with us, fill out the online donation card and mail it with your gift to the address below. You may also contribute online at www.stchristopher.org.
